

EQUIPMENT | Marea Design Warli studio

| Weaving: handwoven on loom

| Yarn : 50% linen - 50% viscose

| Border: hand hemming

| Backing: cotton canvas or action backing

| Weight / sqm: 4,6 kgs

| Pile height: 10 mms

| Applications: residential use / light contract

| Sizes: any up to 5 x 25 mts .

Also suitable as exclusive wall-to-wall carpet.

| Product care: Vacuum regularly. Sweep the carpet surface with a soft broom or vacuum clean it in the direction of the pile. Blot stains immediately, possibly with very little water, dry instantly with white absorbing cloth and hair dryer.

If, after the above treatments, you're not able to remove the stains, or if the rug is placed in heavy traffic public areas, we recommend the service of a professional cleaner. Linen is not an elastic yarn and will flatten after some time. Viscose shreds during the first few weeks. This is considered to be a normal process.
