

## Equipment I Arena Design Warli studio

Weaving: handwoven on loom

I Yarn : 100% tencel

I Border: hand hemming

I Backing: cotton canvas or action backing

I Weight / sqm: 4,4 kgs

I Pile height: 10 mms

I Applications: light contract / residential use

I Sizes: any up to 5 x 25 mts (16,5 x 82 ft). Also suitable as an exclusive wall-to-wall carpet.

I Product care: vacuum regularly. Sweep the carpet surface with a soft broom or vacuum clean it in the direction of the pile. Blot stains immediately, possibly with very little water, dry instantly with white absorbing cloth and hair dryer. If, after the above treatments, you're not able to remove the stains, or if the rug is placed in heavy traffic public areas, we recommend the service of a professional cleaner.

Tencel is a wood based cellulose fiber. It wears better and offers a higher tenacity and bending strength compared to viscose. The fibers are very clean, naturally moth proof and free of allergic compounds .
